🌟 Boom 🌟. Just closed my first 20k sale. Made 2k in an hour. This is the most money I ever made in an hour. I want to thank Sifu [Dan Lok](#), [Desmond Soon](#) and [Kayvon Kay](#) for teaching this skill. I invested in many other courses but never made any money. This is the first time I started to develop a skill that I made money. Sifu I am truly grateful for this opportunity. [#HTCFORLIFE](#).

🌟 BOOM 🌟 Closed my first 4 sales on packages priced at \$3000, \$3700, \$5000. Closing my 4th sale bumped me up to receiving 20% commission of my 4th sale based on climbing commission scales.

Friends & family outside of HTC wonder why I spend so much time on the phone, why I'm so laser-focused, why I'm so obsessed with this, why I'm displaying more commitment than they've ever seen from me before in my life. Why? I'M A HIGH TICKET CLOSER IN FULL GRIND MODE.

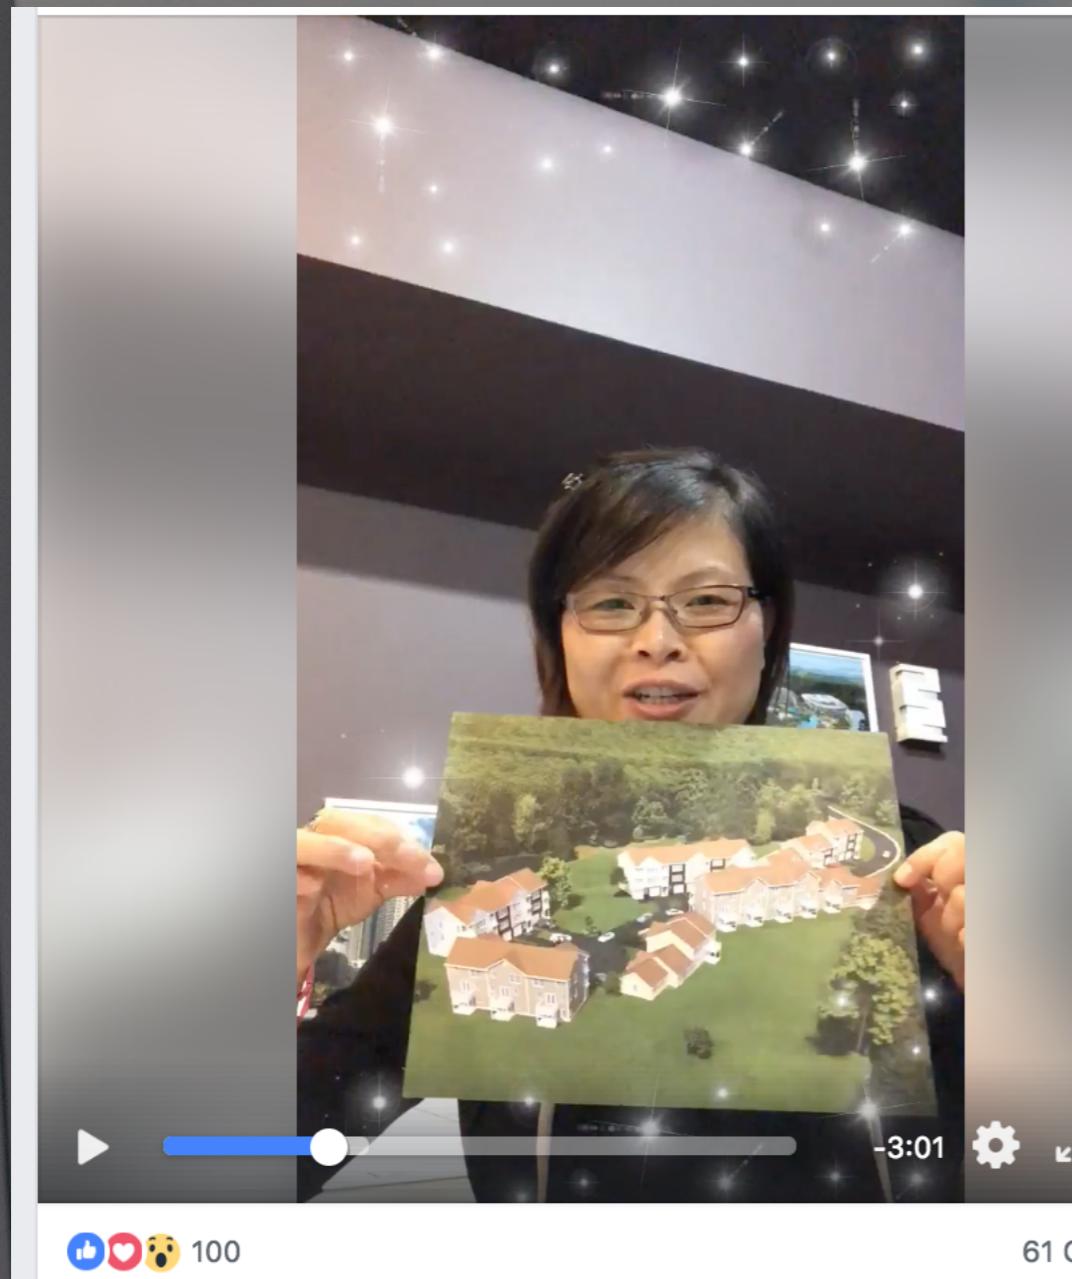

What's next?

Just guess.

I can't believe it... I just closed my own father on his health!

For months he has been suffering from kidney problems and avoiding a treatment that would naturally cure him. Of course, it requires him to commit to a procedure for 21 days straight- something his unpredictable job impeded.

We had a heart to heart in which I used our HTC methods to help him realize how important this was to him and got to the root of why he kept putting it off.

I am proud to say that at this very moment, he is on his way to the store to buy the ingredients for his treatment!

Thank you, Dan, Kayvon, Desmond, and HTC Family for all your inspiration! We can help willing people save their OWN lives with what we are doing- from the High-Ticket to the Priceless things in life. Let's keep growing together!

So, let's talking about closing...in dating! This is the area where I've seen strong unexpected (but very much welcome) results in ever since joining HTC. As Vancouverites know, dating in this city has been seen as very difficult. But is that really true? With an HTC mindset, it's not, and I now know it's not because you start doing things that other singles aren't doing because you start seeing dating in a high-ticket way.

3 Ways You Can Make Money With Your Closing Skill

#1 - Closing As An Employee

- ✦ **Companies are constantly looking for experienced closers and happy to compensate you for your closing skill**
- ✦ **Salary + bonus structure**
- ✦ **Salary + commission**
- ✦ **Purely commission based**

#2 - Closing For Yourself

- ✦ If you could double your closing ratio, how much more money would you make?
- ✦ If you could double your price, how much more money would you make?
- ✦ If you could cut down your closing time by half, how many more sales would you make?

Thanks to Dan's teaching I am now as of today at \$71,500.00
In gross sales with 75% profit margin. I will hit 100k this month. All this was accomplished after 3 calls.9 hours . Weeks 4 , 5 and 6. I joined at week 4. I used the techniques thought in those three calls. No script. I am grateful for this amazing family and team. Today I moved a new buyer from \$18000 to \$33000 in one 44 minute call. I'm looking forward to more Sunday closings! Thank you Dan for reminding me of the edge I had lost. Everyone needs a mentor. I'm glad our paths crossed. I owe this one to FB. To many years of mutual prosperous and successful masterminding with you and the rest of the team. I hope I can bring some value to you and this family as you have to me.

I'm Kaveh Saffari and I am and have always been a High Ticket Closer.

#3 - Closing For Companies And Entrepreneurs

- ✦ Let's run some numbers.
- ✦ Your client has a \$5,000 high-ticket offer.
- ✦ Your commission is 10% = \$500.
- ✦ Your Closing Ratio (Using my proven methodology) is 20%.
- ✦ You talk to 5 qualified prospects a day. (All the leads are provided to you)

#3 - Closing For Companies And Entrepreneurs

- ✦ ONE sale a day = \$500.
- ✦ You only work 4 days a week = \$2,000 / week! (You take 3 days off and do whatever you want)
- ✦ That's \$8,000 / month with no business expense whatever!
- ✦ Here's the best part: You've just made your client \$80,000 in sales! Is the client happy? Is he going to keep you around? You BET!

BOOM!

Just closed my third influencer. He is an entrepreneur selling eLearning packages.

3 package sizes: 4200, 7500 and 12,300 USD.

Commission rate: 30% for each closing call

Generated leads per month: around 500

The call went very smoothly, and we came across all the things Sifu Dan mentioned.

He was asking about experience, but also about what the difference is between a sales professional and closer. But everytime he asked a question, which I then answered or redirected, he said that it was a test or a trickquestion, just to see how I would answer it.

He was very impressed how I closed him, and really listened to his pain points. He really believed I would be able to help him make some serious money.

Boom! Just closed on my first influencer and can say that Sifu's teaching works. Mr. Influencer talked 90% of the time and there was no objection. Commission will be 50% of net profit. If I can do it, so can you. To all Season 5 members, trust the process. Thank you Sifu [Dan Lok Kayvon Kay Desmond Soon Tina Leder](#) for making this possible for me.

It's HERE!!! Received the package this morning in the UK - there were even more amazing surprises inside too - and again, feeling blessed and grateful to have found this path with such great mentors and to be in this journey with inspirational people from all backgrounds and from all over the world. Thank you Dan, Desmond and Kayvon.

It has a new place in the desk as of today - wonderful wealth trigger.

By the way, even after a 4 year college degree my diploma didn't come even close to the HTC certificate in style or quality.

To everyone that is in this path - we rock (or even better - we Close)

This certificate means more to me than my law degree. The mentorship by Sifu Dan and his wonderful team is priceless and hopefully, this relationship will last for the rest of my life.

My next degree will be € 100.000 on my bank account.

How to get there? Just follow Sifu and apply his teachings. Be a good student.

Love,

Christina

This is NOT some B.S. online training program with a bunch of stupid videos.

This is a LIVE mentorship program.

This is an opportunity for you to be MENTORED by me personally and work with me side by side.

I have ready-to-go contracts for my best students.

This Is NOT For Everyone

- ✦ This is for serious people who've been following my work for a period of time which means you've watched at least some of my YouTube videos and read my books.
- ✦ This is NOT for you if you're scared to talk to people on the phone. (If your confidence is that low, then you really need this program)
- ✦ This is NOT for you if you're not coachable. I ONLY WANT GO-GETTERS WHO MAKES NO EXCUSES AND CAN GET SHIT DONE. IS THAT YOU?

Hey HTC Family, I want to share a recent win with all of you. First off, a quick bit of background. I've been following [Dan Lok](#) for over a year and finally met him a couple months ago. A mutual friend of ours held a private mastermind for high level entrepreneurs which Dan and I both attended.

I originally asked Dan if he could send me some of his best HTC graduates for my new high ticket offer, but he had a better idea. He told me to join the program first, so I signed up with batch 3.

I've never had any formal sales training, but the first 3 weeks gave me such confidence, I thought fuck it. I'll advertise the high ticket offer early and see if I can close some of the applications myself.

I watched the role plays with [Kayvon Kay](#) and [Desmond Soon](#) 3 or 4 times as I waited for the calls to come in. First call was a bust. 2nd call, I closed a \$15k package. The entire call took about 10 mins. I thought this might be beginners luck, so I made 2 more calls and closed another \$15k package. The second close took a bit longer, but was still a lot easier than I expected. 4 phone calls, 2 closes, \$30k in one day.

Not that it was ever in any doubt, but needless to say Dan's stuff is criminally effective.

Welcome all new grads. Just wanted to say if you guys do the work and follow the HTC program there's absolutely no reason why you can't accomplish what you dream of.

I'm currently in sunny orange county California standing in front of \$90 million dollar oceanfront houses. Because of Dan, Kayvon, Desmond and the whole HTC team I am with a business I love in an industry I'm deeply passionate about. They just flew me to California for a week all expenses paid to meet their team and see the culture after working with them part time for two months. If it wasn't for HTC I would've never found this life changing opportunity. I remember Kayvon on the phone with me for the first HTC call and asked me what my goal was for 2018 (I was first batch so I started HTC nov of last year). I told him six figures consistently was the goal and at that time I had a third baby and was staying home. It was a number that I just came up with and didn't think too much about. 2018 is my \$100k year and I am very close to five figure months already. So much has changed in a few months I can only imagine what it will be like in five years at this pace. Keep working it everyone. There is enough money and opportunity out there for everyone to live and love generously ❤️

BOOM 🔥

Closed a S\$3.5k private coaching deal 15 mins ago. 1.30am 😁

Feels good cos i used a lot of htc questioning techniques combined with a soft approach of listening, and yet stayed my authority and ground when price was mentioned.

Client went ahead regardless of parental objection as he himself knew how critical it is to step up and go thru it.

Just another inspiring story for u guys in our big family. 🙏

Keep on closing.

Hey HTC Fam!

I want to share a recent win with you all.

I've started closing for a new Influencer as of this week.

So far i've had 2 sales calls & have managed to get 2 BOOM's, the coaching program is a \$10k offer 🤝

My confidence is growing after each call and I'm truly experiencing being "In Flow" at the moment.

It's an amazing experience because while in that state I found that within the first 3-5 seconds of the call I build such strong rapport with the prospect that the deal is already more than half way closed.

Now You Have A Choice

Life Stays The Same

You can either take the information I have given you and forget all about and **STAY STUCK** where you are.

- Keep chasing the next shiny object...
- Buying the next course...
- Reading those stupid ebooks...
- Going to another seminar...
- Attending the next webinar...
- Wasting your life...
- Hoping someday your life will be different...

Life Will Never Be The Same

A person in a dark suit and tie stands next to a dark blue car with the driver's door open. The person is holding a folder and a smartphone. The background shows green trees and a building.

- What if you join an entirely new industry that's on the boom in sales and no one knows about it?
- What if you can sell service that needs to be sold that pays \$1,000 ~ \$2,000 or so commission per sale?
- What if I told you warm, inbound leads would be provided? You'll only need to close 5 ~ 10 sales (a couple per week) to make 6-figures a year.
- What if I told you there's virtually ZERO competition?
- What if there was no experience or credibility required?

Life Will Never Be The Same

- What if you could also do this and work from anywhere in the world. No office or sales floor needed.
- What if there was also ZERO paperwork to be filled out?
- What if you could be your own BOSS, work your own hours and make as much money as you want?
- What if you could make big money, even if you start out doing it on the side?
- **What if you get to work alongside with me, Kayvon and my team?**

Good Morning HTC! BOOM! I received my Yearly Account Analysis for July 😊 Did not do as well as other months but I am still ahead of the game! BOOM! I also drove 2 hours away from home to do a 2-hour consultation with Dr. Allison about a new nonprofit she wants to be created. She thought she was going to call it iWonder, but the name was taken so we are doing I Shall Be Foundation. The additional \$1000 on the check is for my driving time \$250 per hour 😊 BOOOOMMM! I am scheduled to go see her once again either last week of August or first week of September!

So for those keeping up, let's recap HTC: Insurance Commissions since taking HTC \$91, 487.53 add to these my own influencer package created at \$5,000 each and I have done 8 nonprofits x \$5000 = \$40,000 plus my consulting gigs and other commissions \$10,100

So to calculate what I have made since HTC = \$91,487.53 + \$40,000 + \$10,100 = \$141,587.53 in 4 months!! Can I get a huge BOOOOMMMMMMM! 😊 Thank you Sifu Dan, Thank you Kayvon, Go Team K2! Thank you, Desmond Soon and Tina, and thank you to my Power Accountability Team. Gina Mike, Daniel, Sj, Glenda Roman Hope Elizabeth Ryan Catherine, and Yaribel
